Life and Hope

*They are all behind the Wall
The Wall so tall you can't see the top
There is no way to get through
No light to see the way*

*There is so much to hold you back
So much to weigh you down
Doubt, Fear, All the weight that Life puts on you
All your thoughts that you're not good enough
That you can't do it...*

*So, we live off others
Too afraid to stand on our own
I take handouts from others, family, the State
Because I can't do it!...*

*Then someone hands you a Rope
Climb!*

*You Climb a little
But it's too high, too hard
You can't do it*

*They give you a push
Climb!*

*You get a little higher
You hold on to the Wall, too afraid to move
They take your hand and pull you
Climb!*

*You know it, you're at the top
The light before you is bright and clear
Now you, you see the Wall
The Little Wall...*
